

Middle School Newsletter

The Highly Anticipated Sequel!

What a wonderful response we had to last week's newsletter! Thanks to all the parents and guardians who sent us positive responses to the first newsletter. It was much appreciated and definitely makes the time and effort that goes into putting this information together feel all the more worth it. This week, the Bishop attended our Wednesday Mass and the students learned about Mary and her role in the Church. We also had some sports triumphs with the fifth and sixth graders. The school year is starting off well and we hope to keep you updated as it all unfolds!
